Why Porte Brown?

Porte Brown LLC has been providing support for various financial software packages since 1992. We are well known for helping clients select the right software for their business needs. After the software is selected, we develop an efficient implementation plan to get your company up and running on time and within budget.

Porte Brown LLC believes in training their staff in the software our clients use which is why we have 25 staff members certified in using QuickBooks. We support QuickBooks desktop version Pro, Premier, Enterprise, QuickBooks for Mac, Point of Sale, and QuickBooks On-line. We also support a variety of third party add-ons such as Fishbowl Inventory, sales tax for multi-state, Intuit Payroll and Merchant Services.

Will Porte Brown make us a priority? **YES!**
Porte Brown was founded on the belief that as a local firm, we can provide a level of expertise comparable to a national firm on a much more intimate level.

Porte Brown, an independent member firm of PrimeGlobal

Accounting & Business Software Solutions

In addition to our traditional accounting services, our technology experts help clients select software, build systems with customized programs and reports, and provide onsite staff training and support. Our consultants are degreed accountants who have technical knowledge of numerous accounting software packages.
